## Announcing: The Porch Restaurant

The Porch has been offering a healthful way to eat in Cimarron since 1997. And we continue to do so in a different way. *We are now serving dinner on Thursday, Friday and Saturday nights, as well as Sunday brunch!*

Dinner at The Porch Restaurant is perfect for date night, birthdays and other special events, or for simply getting out of the house to enjoy cool breezes and meet your neighbors.

The menu at this intimate space changes daily with seasonal ingredients. Expect fresh, inventive takes on old favorites, such as meatloaf—with spicy tomato jam. Dinner is served between the hours of 5 pm and 9 pm; brunch from 10 am till 2 pm. Reservations are recommended.

## THE PORCH PRODUCE MARKET

*Eat fresh for good health.*

For the health of both your family and Mother Earth, look for food grown nearby using good sustainable methods. Fresh produce is plentiful in June and July; you can expect to find melons, blueberries, peaches, apricots, raspberries, plums, strawberries, corn, cucumbers, green beans, tomatoes, summer squash and more at their peak. Stock up now and freeze for next winter.

## STORY TELLING BY THE FIRE

*Summer entertainment comes to The Porch*

On alternate Friday and Saturday nights at 7:00-ish, Roger revisits familiar stories and introduce us to some new ones. This week two by Mark Twain: “*Tom Quartz*” a story about a cat, and “*Fennimore Cooper’s Literary Offenses*” Twain’s acerbic criticism of that author’s popular, *The Deerslayer*.

Time your dinner reservation at a fireside table so that you can be part of the fun. A tapas menu will be available for those who are not dining with us.
